## A MESSAGE FROM OUR PRESIDENT, LUJAYN SAFE

"Our mission is to provide our brothers with the opportunity to grow both personally and professionally. By sponsoring the Upsilon Chapter of Delta Sigma Pi, you are directly contributing to creating the next generation of top professionals. Delta Sigma Pi's impact goes beyond our brothers and into other organizations through our unique relationship with the Gies College of Business. We invite you to be a part of our continued efforts towards embracing and promoting diversity, innovation, and professional growth."

# PURPOSE, NATIONAL PRESENCE & IMPACT

## Our Purpose

Delta Sigma Pi is a professional business fraternity with 125+ members at the University of Illinois, founded to foster the study of business in universities; to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and students of commerce, and to further a higher standard of commercial ethics and culture and the civic and commercial a welfare of the community.

## Our National Presence

Founded in 1907 at New York University, Delta Sigma Pi has grown to over 300 chapters with more than 271,000 initiates. We welcome business majors of all backgrounds, and strive to develop them as future business leaders.

## Our Impact

The Upsilon Chapter of Delta Sigma Pi is one of the most prestigious business organizations at the University of Illinois, Urbana-Champaign. We pride ourselves on our professional, scholastic, and social excellence. Deltasigs are committed to developing leaders both in and out of the classroom, are involved in the nation's largest business fraternity alumni network, and operate in diverse, competitive fields. Utilizing the Delta Sigma Pi network and resources, our brothers help develop other professional organizations as they serve on leadership boards. We are also very passionate and involved in community service, hosting events that benefit the Champaign-Urbana community as well as various other philanthropic causes. Our events include a Suicide Prevention Walk, hosted with the Gies College of Business, weekly fundraisers such as donut sales and yoga classes, and service projects. Combining our pillars of professionalism, brotherhood, and philanthropy, our brothers have gone on to make a difference, serving as valuable additions to corporations, non-for-profits, graduate programs, and much more!

# TESTIMONIALS

## CURRENT BROTHERS

The best part about DSP's networking events, especially during your first semester, is all the exposure you get. It doesn't take much to show up, but when you do your eyes are opened up to so many new opportunities that are available through DSP's huge network. There's no doubt that I'm more prepared than I ever have been to take on any career path I choose.

- Max Castillon, Spring Class of 2022

Joining Delta Sigma Pi was the one of the most foundational decisions of my college career. DSP has given me countless opportunities to grow in a professional setting. Through networking events with corporate sponsors, I was able to get my dream internship and spend the summer in New York City!

- Zhara Trott, Spring Class of 2020

## ALUMNI

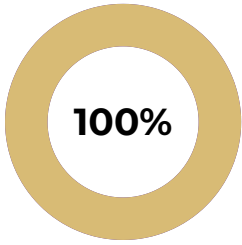

Delta Sigma Pi introduced me to professional networking opportunities from the day I joined. I was able to learn about professional opportunities that different brothers had taken advantage of, and find the right fit for me early on. Through workshops and events, my professional skills were sharpened and I joined the working world confidently. Now, I want to give back any chance I can to the organization that gave so much to me!

- Hanna Murakami, Fall Class of 2017
